Pumpkin Pals

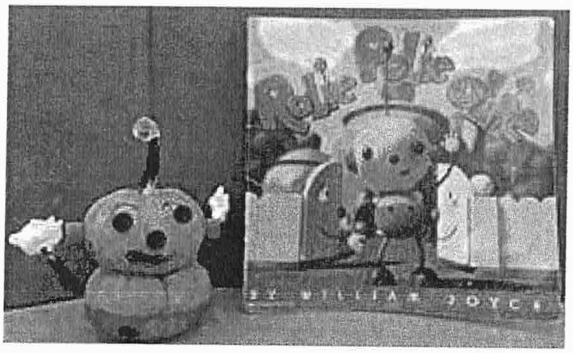

PROJECT: Choose one of your favorite books to read. After that, decorate a pumpkin like the main character! Then, fill in the attached book report all about the pumpkin character you created!

PROJECT DUE : **Wednesday, October 21**
(book, attached report, and decorated pumpkin)

Help your child choose a favorite book and decorate a pumpkin to look like the main character from that book. Small pumpkins work best– ones that your child can easily carry in a bag by him/herself. You may choose any way to decorate the pumpkin as long as it goes along with the character in the book chosen. You can use paint (spray paint works really well), fake hair, accessories, sparkles, stickers, etc.

Please make sure to send the pumpkin to school in a bag that conceals the pumpkin and all of the parts (legs, teeth, etc.). Remember to include the book when sending the project to school. Try not to make your project too early, because a pumpkin's life span is not that long and we don't want them to get smelly. ☺

Please note, this is an at-home project that will need your assistance. Please work WITH your child, but please don't do it for him/her.

Project Details

Describe your character. What do they look like? How do they act?

Character Description

What did your character do in the story? Did they solve any problems? Meet any new friends? Learn something new?

Character Actions

Do you like your character? Why or why not? Use details from the story to explain.

My Opinion

If you could spend the day with your character, what would the two of you do?

Draw a picture of you with your character.
